2010 Application Submittal Schedule

Prepared November 16, 2009

- Pre-conference meetings are required with Development Services staff prior to submitting any applications. Please call or email Planning staff to set-up a meeting.
- Public Notices will be mailed to adjoining property owners and published in the newspaper at least 15 days prior to the Planning Commission public hearing and the City Council first reading.
- Applicants are expected to attend all public hearings pertaining to their application as they need to be available to answer questions posed by the Commissioners and the Mayor and City Council.
- Applicants are expected to meet the conditions placed on their applications by the Planning Commission where applicable before the City Council initially considers their application. Failure to meet conditions may delay City Council consideration of the application and prompt the need to reissue public notices.
