Trinidad's **HISTORIC DOWNTOWN** on Main and Commercial Streets follows part of the old Santa Fe Trail. Here in the Corazón de Trinidad (Heart of Trinidad), museums, shops, and restaurants occupy many buildings erected in the late 1800s and early 1900s. For more on Trinidad's historic architecture, ask for *A Walk Through the History of Trinidad*, published by the Trinidad Historical Society.

Pros rank the **TRINIDAD SKATE PARK** as one of the top ten in the world. The sport's longest grind is possible on the 120-foot flat wall. With lots of lines and no kinks, the skate park provides challenging and fast full-arena runs and also accommodates the young ones. Wear your helmet and be safe!

Trinidad's Municipal nine-hole **GOLF COURSE** is considered by *Avid Golfer* magazine to be one of the "ten hidden gems in the country." The course is in a wooded setting overlooking the town.

The **TRINIDAD TROLLEY** offers free tours hourly from 10 am to 3 pm every day, Memorial Day through Labor Day and Saturdays in winter, weather permitting. The trolley stops at the Welcome Center and all the museums. For private group reservations winter or summer, call 846-9833 x33.
